KARNES CITY

INDEPENDENT SCHOOL DISTRICT

❖ Narcan / Epinephrine

Narcan supplies – SRO carry with them every day.

Need to get approval for supplying them in the cabinets with the AED's.

Multiple staff members will get the training of the administration of it.

Signage with the AED boxes

Epi – will research and present at next meeting the schools own supply

❖ SHARE

SHARE programs being delivered the past few weeks

Discussion of participation

About 1/3 of the elementary students turned in permission slips

HS was no participation

Presented on multiple forms, principals reached out multiple times

Look into the opt-in vs opt-out options

Look into the delivery system of permissions lips (digital?)

Idea of sharing information on a ramped up Health Services website

❖ Local Wellness Plan

Plan is being reviewed.

Will be reviewed under this group since the member requirements are the same.
